

\$242 Million in Loans Purchased in 2012 February 20, 2013

As Thomas USAF celebrates its 27th year in the secondary market, we are pleased to report yet another great year totaling \$242 Million in loans purchased in 2012. As a Direct Investor, we offer banks the possibility of eliminating intermediaries and increasing profits. As the only secondary market player with both Lending and Buying experience, we can play an instrumental role in helping you win the business, navigate the maze and structuring to maximize profits. We make it operationally convenient by minimizing assignments and offering a turnkey job in terms of settlements. If you haven't sought our pricing on your loan sales, you may have been shortchanged.
